

Major Events & Tours Telstra Broadcast Services

Deliver success with a winning combination
and the right team

From Grand Slams to World Cups, to international events that happen every 4 years, major events and tours showcase the world's best athletes competing for personal and team achievement along with the love of the sporting fans.

To deliver a top tier major event, a company must have the right blend of resources that are global, flexible, customisable, readily available, and reliable.

Telstra Broadcast Services' Major Events & Tours managed service offering delivers an end to end global broadcast media and carriage operation customised with telecommunications, LIVE OTT, Broadcast and Media services to ensure a timely and premium experience that is sure to be a home run!

Features & Benefits

Leveraging Telstra's total network assets for a fully managed media content transmission

100Gbps Media backbone
